EXPERIENCE

YOU HAVE ARRIVED

Grand Cayman is a place like no other. From the moment you step off the plane and take in the salty Caribbean breeze to the instant you sit back in your beach chair, feel the warm sun on your face and gaze out into the endless ocean blue; a special connection to this island is made. Being here in the moment strengthens your affinity with this beautiful place.

You can't place your finger on how this connection comes about or where it stems from. All you know is that it is there. This special feeling ties you to the CaymanKind way of life, inviting you in to be a part of this unique Caribbean culture.

This is the place where time stands still. There is no need to wear a watch or keep an eye on the clock. This is your first lesson in the art of letting go.

Let yourself discover your version of paradise at our Beach House.

THE GRAND CAYMAN MARRIOTT AS YOUR BEACH HOUSE

Here in Cayman, we are all about enjoying the island's endless summer. Our aim is to evoke the happy nostalgia of summer – a time when life is bright and carefree. We do our best to provide guests with the ultimate Beach House Experience by creating a fun and relaxed atmosphere where family and friends can reunite, reconnect and spend quality time together.

Beautiful memories – even the really significant ones – can be fleeting and easily forgotten with time. We want to help you reminisce as well as create meaningful moments with the people you care about.

The Beach House experience is all about bringing you back to that summer state of mind. Because it isn't just a season – for us, summer is a way of life.

OUR INSPIRATION

Our inspiration is rooted in the rituals of service that we have associated with moments of the day. A characteristic day at our resort encompasses the sunrise, a day at the beach, living the Cayman life, the sunset ritual and after dark.

Dive in and find out what time of day and which ritual speaks to you.

**"THESE ARE THE DAYS OF THE ENDLESS
SUMMER, THESE ARE THE DAYS, THE
TIME IS NOW. THERE IS NO PAST,
THERE'S ONLY FUTURE, THERE'S ONLY
HERE, THERE'S ONLY NOW."**

– Van Morrison

A DAY AT OUR BEACH HOUSE

MORNING

At our Beach House, we can't help but be morning people. Imagine waking up and enjoying a delicious cup of freshly brewed coffee and a homemade croissant while sitting on the beach and staring into the sparkling turquoise ocean. Or getting up at sunrise to do a gentle yoga session by the sea as you observe the surrounding nature stirring at first light. A morning routine doesn't get much better than this.

There are so many ways that you can begin your day in paradise. At our convenient Grab & Go station, we offer a yummy spread of home baked pastries and breads made from scratch by our Pastry Chef everyday, freshly-crafted juices made to order (until 11am) and sweet and savoury crepes from our Creperie Station. And we love coffee so much that we created our own exclusive A&D blend, in collaboration with a locally-based distributor, Paradise Coffee.

For those guests who want to stay in and enjoy Anchor & Den's buzzing ambiance, we provide a wholesome breakfast buffet that features hot and cold offerings, our signature omelet station plus so much more. There is also an irresistible a la carte menu for those who are craving something more specific. Starting your day off right in paradise has never been easier!

AFTERNOON

We love spending lazy afternoons on the beach basking in the glorious Caribbean sunshine, with the smell of coconut sun tan lotion evoking the feeling of summer. This fragrance always takes us back to that perfect moment on the beach, with the soft white sand at your fingertips and the view of the cool ocean playfully calling you in. At our Beach House, it is our mission to make sure that our guests are loving their time in the sea, sand and sun!

We know that finding the idyllic spot to relax and reconnect is a major part of the ultimate Beach House experience. Our Beach and Wellness Butlers are here to help you find the perfect place to unwind and enjoy your day by the sea. Once you are situated, they will offer you freshly pressed towels

and help you set up your sun lounge and umbrella. Plus, if you decide you want a bite or drink, they will offer snacks and cocktails that you can savour from your beach chair. They will even make sure that your sunglasses are smudge and sand-free!

In addition, we also offer our Sun Burn Relief Station, located by the Towel Hut. Sun protection is a staple at our Beach House but even with the best intentions, it is so easy to lounge on the beach all day long and soak in just a little too much sun. With this in mind, we provide natural remedies such as chilled towels, freshly cut cucumber and aloe vera leaves and organic cocoa butter to help soothe and moisturise skin.

EVENING

As the sun sets at our Beach House, one of our favourite spots to experience Happy Hour is our oceanfront Vista Bar. It is the perfect vantage point to watch your day in paradise draw to a close. Here we offer a fun menu of beach-inspired cocktails and light bites that you can enjoy as you play some traditional games with loved ones such as tic-tac-toe, cards, board games and dominos. Call us old fashioned but playing these games brings us back to a simpler time, when life was slow-paced and technology wasn't always occupying our headspace. It doesn't seem like a thing many families and friends do together as much anymore, whereas in the past many evenings were spent huddled around a game for hours, drinking and eating, as well as sharing meaningful conversations and funny moments. We hope you try your hand at a traditional game the next time you are at Vista Bar – it is a blast from the past!

AROUND THE ISLAND

TAKE A LINUS BIKE

One of the most enjoyable ways you can spend a beautiful day in Grand Cayman is by discovering the island by bicycle. We were inspired by memories of riding along through the picturesque countryside with loved ones during our own vacation experiences and wanted to re-create these special moments for our guests by offering Linus bike rentals, which is covered by the Resort Fee. Inspired by the French bicycle design of the 50's and 60's, Linus bikes embody the simple elegance and pure form of that golden era but have all the benefits of modern comfort and reliability. Take a Linus bike and travel brilliantly!

Do you want to learn more about Cayman history and heritage? Our hotel is close to George Town with all its old buildings including The National Museum, The General Post Office and the Cayman Central Library.

Do you feel like indulging in shopping? The hotel's proximity to Camana Bay with all its stylish shops means that retail therapy is only a stone's throw away.

Or do you want to discover other nearby beaches? Take the opportunity to enhance your experience by exploring what this charming island has to offer.

TAKE YOUR PICNIC

Evoke carefree memories of summertime by taking a picnic with you on your bike ride. Discover a perfect spot at a nearby beach or park to lay down a blanket and share a picnic with friends and family. We would be more than happy to organize a picnic basket for you to take on your journey. We can personalize it as much as you want – all you have to do is tell us what you would like to be included in your basket. You can choose from all the food items offered at our restaurants or we will do our best to accommodate special requests.

BEACH HOUSE ACTIVITIES

We offer a variety of fun activities to bring you back to that summer state-of-mind like making S'mores at our beach bonfire nights, doing yoga by the sea, watching poolside movies under the stars, stargazing with a knowledgeable guide and enjoying summertime treats like cotton candy and popcorn on a hot day by the pool.

Our Kids Club programme is also jam packed with wonderful activities for our junior guests ages 5–12. Our experienced Kid Club team has chosen activities that families could do together such as beach and pool games and scavenger hunts.

Our aim has been to make it about reconnecting and bonding with loved ones. We have a Games Zone that is fun for the whole family and includes classic games like snooker, ping pong, air hockey and foosball.

Every Wednesday and Friday evenings, our Kids Club also hosts fun activities from 6:30–9:30pm so that parents can enjoy a night out. Children are invited to play games, make a craft and watch a movie. This is a complimentary service for parents attending the Lobster Fete on Wednesdays and our signature Asado evening on Fridays.

SUNSET RITUAL

“It is almost impossible to watch a sunset and not dream.”

You can ask anyone who has been to Cayman, watching the sunset is a magical experience. Nothing compares to the sound of the crashing waves, the feel of the soft warm breeze and the perfect view of the turquoise ocean as the sun sets on the horizon.

When the sun finally sinks into the sea, the sky reveals picture-perfect pastels painted across the closing dusk. The transition from day to dusk is a grand performance that offers its audience something different each night. We give it a standing ovation every single time.

At our Beach House, the sunset is sacred. Luckily for us we get to witness the beauty of the sunset all the time. We adore these last few moments of the day. It is the perfect opportunity for us to feel, absorb and be grateful.

We love making a ritual out of the breathtaking sunset. We set up distinctive furniture right on our beachfront at the end of the day so you have the perfect backdrop to take pictures as the sun goes down. We welcome you to join us for our Sunset Ritual – it is not to be missed.

FOOD FOR THOUGHT

With so many cultures represented in one place, Cayman is fast becoming the cosmopolitan capital of the Caribbean. More than 135 different nationalities can be found, bringing with them various customs and practices from every corner of the globe. This is most apparent in the diversity of our island's culinary offering. There is a mixture of gastronomic influences stemming from South America, the Caribbean, Europe and beyond.

We are very proud of our Food & Beverage programme at our Beach House. At our restaurants, we provide fresh, authentic and innovative dishes. We travel the world to find inspiration for our gastronomic offering – from Barcelona for our El Mercat Tapas Night to London for our Mad Tea Party, we love discovering new and exciting ideas to take back to Cayman to make our own. What we offer guests is a unique multi-sensory culinary experience, inspired by our island's international flair.

INTRODUCING THE HEART AND SOUL OF THE KITCHEN... EXECUTIVE CHEF, STEVE GRIFFON

Steve grew up in a small coastal village near Nantes, France. His parents are farmers and his mother always cooked using produce from their farm, including many types of vegetables, poultry and eggs. Steve's passion for cooking is rooted in his childhood when we would make desserts with his mother, using only fresh products from their farm. He knew he wanted to be chef at the tender age of 10. He also loves to go fishing, a hobby that he continues to be passionate about today. His love for fishing and seafood have inspired many of his signature dishes, including his famous Bouillabaisse. Throughout his career his culinary vision grew to incorporate influences from his experiences in Europe and the Caribbean.

"Cooking has always been a part of my life. From when I was a child helping my mother prepare meals for the family made from only products grown on our farm – it is something that I have always been passionate about. My philosophy has always been to use fresh, local and wholesome ingredients and this is a tradition that I continue to share with our guests."

VERANDA

BOHO CHIC. AIRY. VINTAGE INSPIRED.

Our oceanfront restaurant offers an inspirational space with vintage-inspired décor and an air of bohemian chic. There are only a handful of places along Seven Mile Beach where you can enjoy a unique culinary experience with uninterrupted views of the turquoise Caribbean Sea from your table. Besides the breathtaking setting, both locals and international visitors alike come to Veranda for its innovative Food and Beverage offering. We certainly live up to our philosophy of offering fresh fish, simply done.

VISTA BAR

LOCAL. PLAYFUL. REFRESHING.

The ultimate beach bar with a delicious menu of summer cocktails, ice-cold beer and a light bar menu including our signature conch fritters. It is the perfect spot to chill out after a hot day on the beach. Plus, you can't beat that view!

ANCHOR & DEN

GLOBALLY INSPIRED. LOCALLY SOURCED.

With its original design and ultimate comfort food menu, Anchor & Den is where we nurture the culture of inspiration, providing you with an innovative environment that is, above all, authentic. We use locally sourced products to create a memorable experience through fun food, eclectic cocktails and chic music.

BOULANGERIE BRUNCH

STYLISH. VIBRANT. FLAVOURSOME.

With its buzzing atmosphere, what we offer guests every Sunday is the ultimate culinary experience, with a diversity of delicious dishes that are internationally inspired. From fresh sushi to a traditional American breakfast – there is so much to choose from. Paired with bottomless glasses of bubbles it is the perfect way to spend a Sunday afternoon in paradise!

APOTHECARY HAPPY HOUR

HANDCRAFTED. INFUSED. COLOURFUL.

At our Beach House, we were romanced by the concept of an Apothecary. Traditionally a place that sold elixirs and potions – we thought it would be the perfect inspiration for our beverage programme at Anchor & Den. Born out of our love for herbs and spices, these magical ingredients are the foundation for all our handcrafted holistic cocktails and drinks. Our talented mixologists use homemade syrups, infused waters and dehydrated fruits to create their unique botanical blends.

On Friday nights we also have our resident DJ spinning summertime tunes for our guests. It is a lively atmosphere and a cool way to end and a hot day on the beach.

RAW BAR

FRESH. LIGHT. TASTY.

We like to think of our feature bar in Anchor & Den as a focal point of our Great Room. A gathering place to reunite, reconnect and relax – it is versatile space where guests can grab a bite, cozy up to a book or catch up with family and friends over something to drink. Evenings are a time when our bar is in full swing. Buzzing with energy, it is hot spot for guests to indulge in our Raw Bar and try one (or many) of our handcrafted cocktails or tasty sodas. Enjoy classics from our popular Raw Bar such as Blue Point Oysters (shucked in front of you!), Tuna Tartar and Snow Crab Claws as well as ceviche, tiraditos, sushi and sashimi. They are as fresh as they get!

MAD TEA PARTY

DECADENT. SWEET. BEAUTIFUL.

We are celebrating art, literature, music and all things delicious at our signature Mad Tea Party. Inspired by the Mad Hatter Tea Party from Alice in Wonderland, it is not your average cup of tea!

Featuring creative blends designed by the experts of Tea Time in Cayman, our aim is to surprise you with a decadent display of cool cakes and ever-changing "Drink Me" potions in addition to the high tea classics. Follow the white rabbit to our Beach House where it is always teatime!

EL MERCAT – NIT DE TAPES

CLASSIC. MESMERISING. PASSIONATE.

Barcelona is stylish in many ways. But in a city where fashion and design trends come and go, there is one tradition that never changes – the ever-popular tapas. Every Thursday night at Anchor & Den we bring you a taste of the Catalonian style of life with our very own version of classic dishes along with live flamenco music and dancing.

LA BOMBONERIA

DIVINE. DELICIOUS. INDULGENT.

Our Bomboneria features exquisite chocolates and truffles made by our in-house Chocolatier. The branding of our Bomboneria salutes the first pioneers of chocolate – monkeys! These amazing creatures were the first to discover the cacao pod and therefore the cocoa beans inside. Monkeys would break open the cacao pods to get to the delicious pulp that surrounded the beans. Little did they know that when they would eat the pulp and spit out the beans they were also spreading the beans, which led to cacao trees growing all over South and Central America. Looking back, we have these monkeys to thank for all our favorite chocolate creations. Open from 3–10pm everyday at Anchor & Den, next to our Gelateria.

DARK NIGHT

HOLISTIC. UPLIFTING. SACRED.

During the New Moon every month, we create a sacred space and dim the lights at Anchor & Den for an evening of candlelight, vibrating tunes and intention setting to honour the celestial cycles of our planet.

The New Moon represents new beginnings and it is during this time that the moon is empty, receptive and full of potential. It is the optimum time to look deep within and discover your hopes and dreams. Setting intentions during a New Moon is a powerful and meaningful way to align with the world around us and provide guidance in our lives. We believe that sharing a sacred space helps magnify the power of our intentions.

We welcome you to enjoy an evening of Apothecary elixirs, holistic bites, stargazing on the beach and inspiring activities with our Light Workers to help set your intentions for the New Moon.

THE NIGHT MARKET

HYGGE. STREET FOOD. RETAIL THERAPY.

An exciting collaboration between Anchor & Den and The Mercantile, our monthly Night Market is the ultimate shopping experience which includes live music, delicious street food, handcrafted Apothecary cocktails, fun family activities and cool retails stalls full of endless summer goods.

Every month features a different theme, which inspires the F&B programme for the evening as well as the activities that are being showcased. Previous themes include A Mid-Summer's Night Dream, All's Well and the Real Oktoberfest.

We offer free valet parking and awesome Kids Club activities for ages 5-12 years old so that guests can enjoy some retail therapy and yummy grub while their children are entertained!

A&D SESSIONS

FLOWING. COMMUNAL. GROOVY.

This fun quarterly event is our unique twist on brunch at dusk. Experience as we transform Anchor & Den into the ultimate foodie experience. Entertainment includes sets from our Resident DJ and live bands. The ambience is free-flowing, relaxed and social. Gather your tribe and make new friends at the coolest Saturday night hub on the island!

ENERGY MEETINGS

At our Beach House, we believe in a different way of doing business. Corporate meetings and events no longer have to be such formal occasions. Here in Cayman we are all about enjoying the island's endless summer. Our appreciation for the laid-back local culture is even reflected in how we run our events.

Our aim is to be true innovators of Cayman's hospitality industry by positioning our events with a comprehensive programme that really understands the needs of a new generation of meeting guests who have modern health and holistic needs.

We believe in an abundance of all that is authentic. We want to be the company that gets you. Work meetings can be stressful. Many traditional business events focus on efficiency and productivity but nothing much beyond that. We want to bring back the fun.

With this in mind, we have come up with an all-embracing programme that connects health, body and mind. We have a dedicated events department that will coordinate every detail of your event from start to finish. We also offer all the culinary concepts and themes that we have become known for, including multicultural cuisine from our signature Asado steak night or our ever-popular charcuterie and cheese boards from our El Mercat tapas evening. We can also provide our signature Beach House décor, such as whitewashed tables, fresh flowers, candle-lit tables and shabby-chic finishing. We are happy to customise our culinary and design offering to match your event.

"Balance is not something you find. It is something you create."

BOTANIKA UNION

Botanika Union (B/U) is a unified movement for holistic travelers and vitality seekers looking to enhance their health, spiritual wellbeing and joy. This nourishing space goes beyond offering guests a one-off 'indulgence' but instead features a changing programme of holistic treatments and therapies that can be enjoyed on a monthly or even weekly basis. The dream is to create an "Art of Living" routine.

B/U is a versatile space that provides a unique and curated menu of treatments such as intuitive facials and massages combined with products from Naturopathica as well as holistic therapies that will be offered in the near future like Aromatherapy, Meditation and Reiki. It also acts as a forum for expert sessions from their Wellness Collaborators on topics of the mind, body and soul such as Vision Boards, Spiritual Development plus so much more.

One of the unique features of B/U is the Vitality Bar, which offers natural elixirs, herbal tonics, locally-made kombucha on tap from Jessie's Juice Bar, organic teas and tinctures. Last but not least, there is a small retail space which showcases products that are offered during the treatments and other wellbeing items such as incense, candles, tinctures and teas. Open daily from 9am-6pm.

"Daily rituals to balance your wellbeing and enhance your lifestyle."

THE BEACH HOUSE MERCANTILE

At our Beach House, we had so much fun discovering unique items that we found during our travels around the world that we wanted to bring our favourites back to Cayman. What we offer is a curated selection of endless summer goods that we hope will inspire and grab the attention of our guests. We are also collaborating with local companies to feature exciting items that resonate with our unique philosophy and style.

Some of the cool brands that we carry that have been flying off the shelves are our bags and accessories from Uashmama, our 'Grand Cayman' and 'Endless Summer' canvas bags made exclusively for us by Forestbound, beach accessories from The Beach People, chic bathing suits by Solid & Striped and cool designer sunglasses from Etnia Barcelona.

Plus, our Beach House branded items such as our exclusive candles and room sprays, water bottles as well as our Endless Summer t-shirts and canvas tote bags have been super popular amongst our international and local clientele.

The name the 'Beach House Mercantile' was inspired by the general stores of yesteryear – we loved its old world connotations and thought it was a fun fit for this one-of-a-kind retail space.

Here in Cayman, we are all about enjoying the island's endless summer. Our aim is to evoke the happy nostalgia of summer – a time when life is bright and carefree. The Beach House Mercantile is the latest addition to the fun loving lifestyle that we love sharing with our guests. Open daily from 9am–9pm.
