

An iconic boutique hotel in the heart of Boston

With its unmistakable triangular brick façade, Eurostars The Boxer rises as an urban icon in the historic West End. This boutique hotel, with a contemporary soul and century-old roots, encapsulates the spirit of Boston in every detail: antique maps on the ceilings, local art, noble textures and an industrial-chic design that blends past and present with effortless elegance. Every corner invites you to pause, observe and connect with the living history of the city.

Refined but unpretentious, warm yet full of character, Eurostars The Boxer offers an authentically Bostonian experience. Its atmosphere is vibrant, welcoming and deeply local—perfect for those wishing to explore the city with curiosity and style. Here, every stay becomes an urban tale: that of a city looking to the future without forgetting its roots.
