Who am I?

Maria Llorens

Partner Success Manager

From Valencia, Spain

All travellers struggle with Mobile Internet abroad

No solution is affordable & convenient.

SIM cards

- ➖ Hassle
- ➕ Affordable

Roaming Bundles

- ➖ Expensive
- ➕ Convenient

**Even though it's
a necessity...**

96%

of travellers consider
internet essential

88%

of travellers use travel
apps & tools

Public WiFi doesn't satisfy the constant need and is unsafe

What is an eSIM?

An eSIM is a digital SIM card built into your phone. Instead of swapping tiny plastic cards, you simply download and activate your mobile plan.

Physical SIM

A tiny chip you insert into your phone. Requires ejector pins, careful handling, and you risk losing it.

Better

eSIM

Built into your phone. Download your plan digitally, activate instantly. No physical card needed.

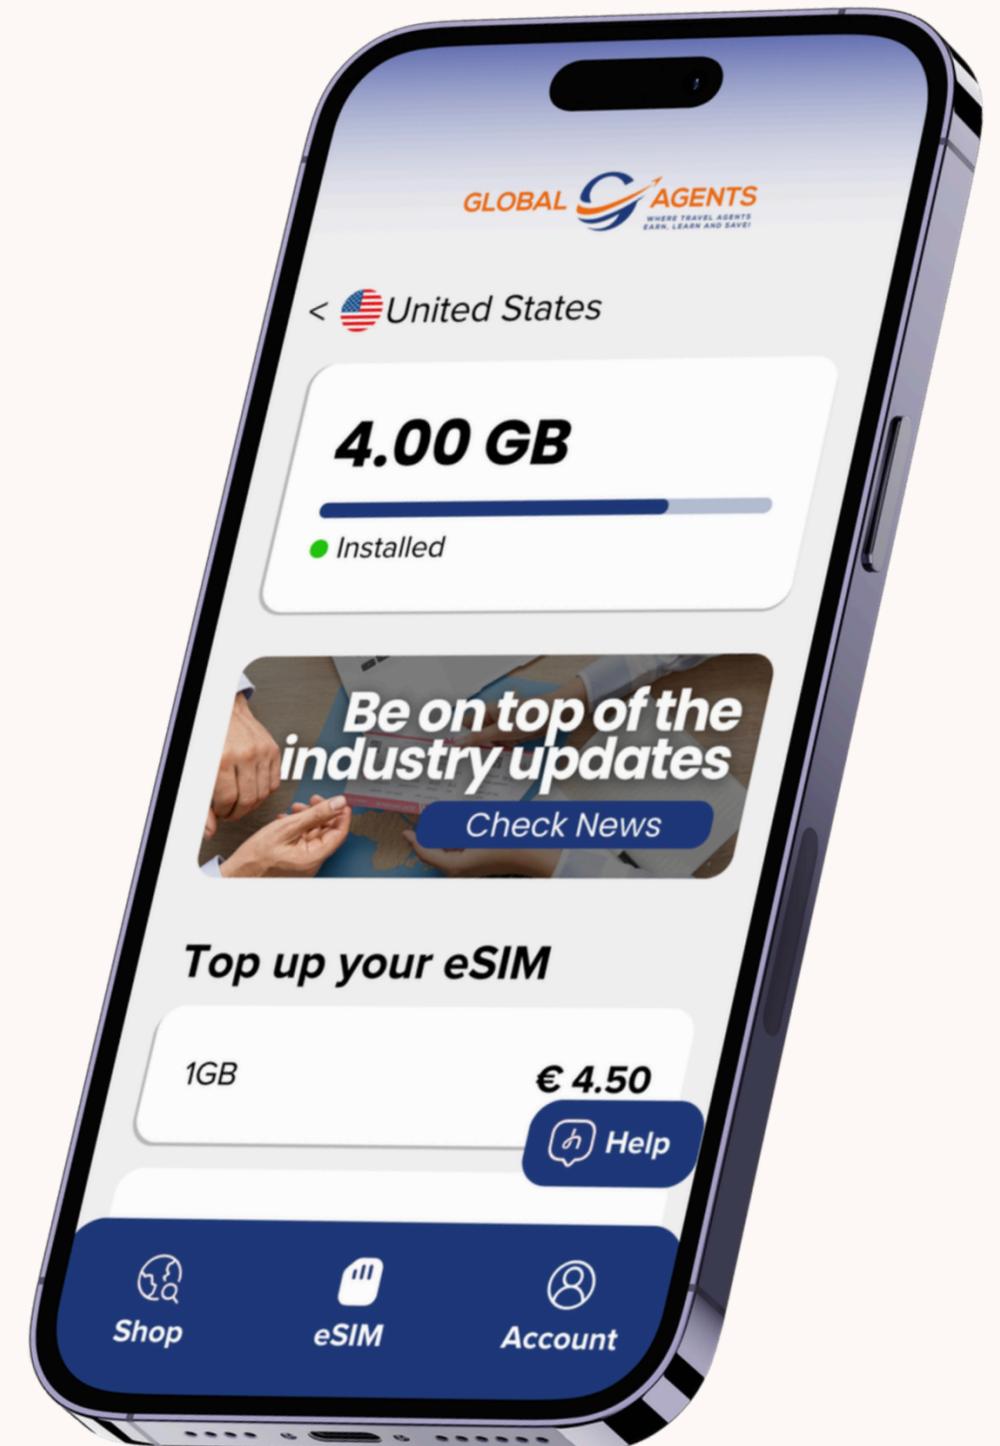

Connecting Travel brands with their customers Through Worldwide Mobile Internet

What's in it for Customers?

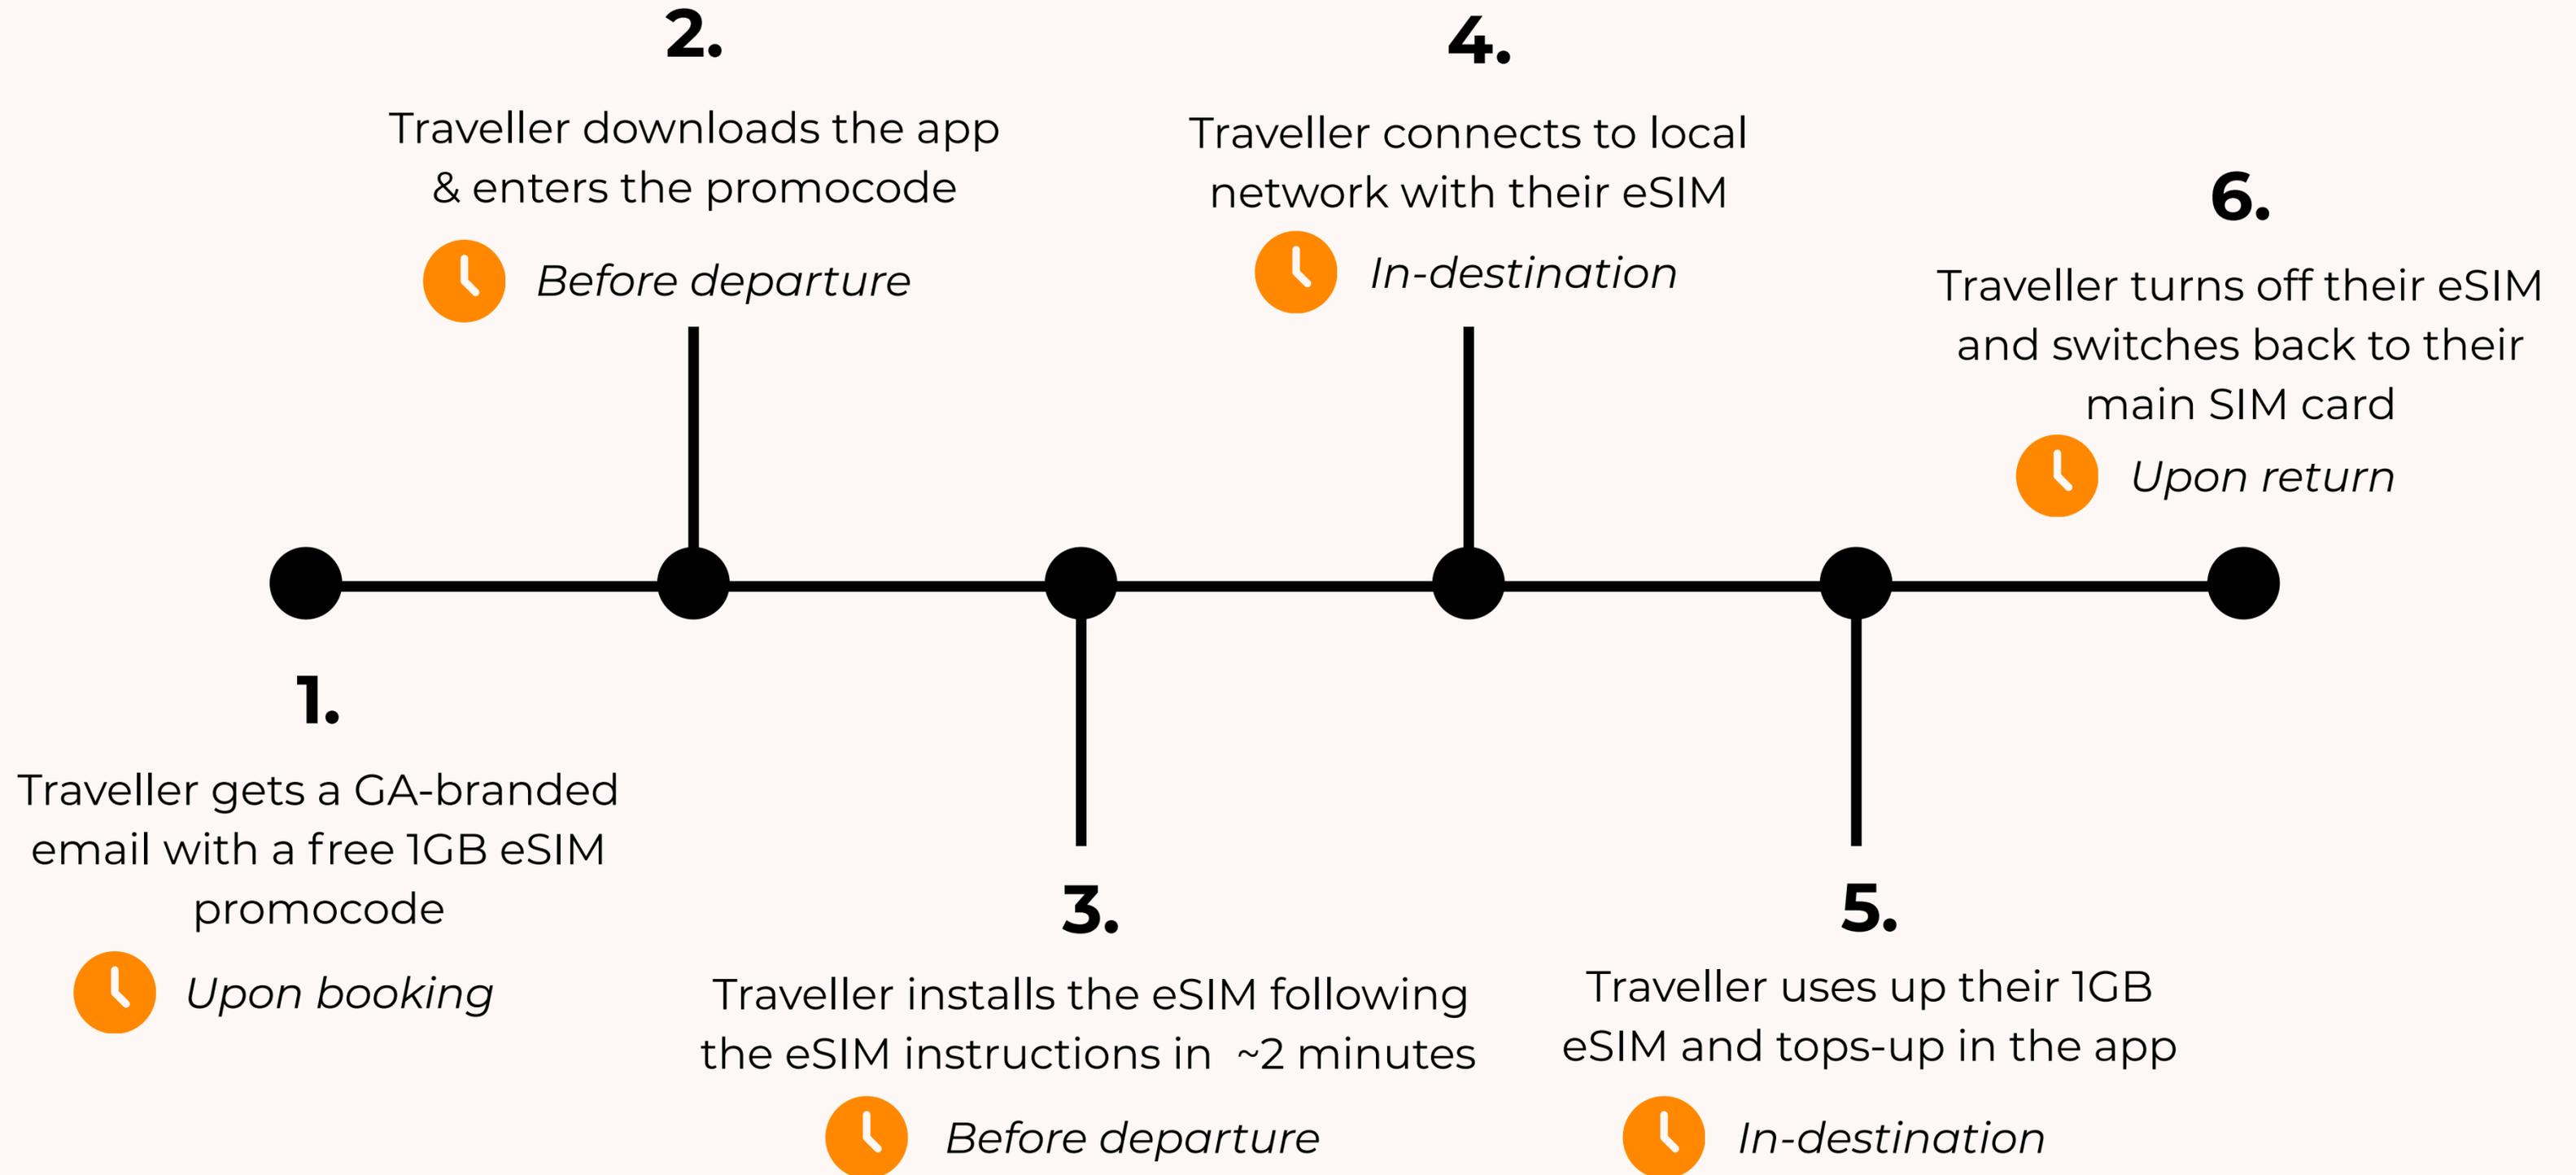

- ✔ Free Mobile Internet abroad everywhere
- ✔ Shareable Internet for families & groups
- ✔ Savings of over 95% on data roaming

What's in it for Partners?

- ✔ Practical & Differentiating value-add
- ✔ Commission on all top-ups in-app
- ✔ Review, Loyalty, & Upsell campaigns
- ✔ Your brand in their pocket, at zero cost

hubbu
eSIM

Before the departure the traveller has to:

- 1.** Check phone supports eSIM & is unlocked
- 2.** Install the eSIM in advance
(stable WiFi connection is needed)
- 3.** Turn ON data roaming for the eSIM
- 4.** Set eSIM as mobile data line

Which Bundle to Recommend based on Trip Duration

1 GB

Perfect for a quick start

1–3 days

Stay connected from the moment you land; order a taxi, inform your loved ones, and share your arrival. Ideal for light travelers who need quick connectivity.

3 GB

Ideal for short trips

4–6 days

Navigate, chat, and stay easily online during your weekend getaway. Perfect for short trips without relying on Wi-Fi.

5 GB

Best choice for active travelers

6–7 days

Ideal for solo travelers and couples who want reliable connectivity during their trip.

10 GB

Perfect for families and sharing

7–10 days

Share a hotspot and travel worry-free together. Ideal for families or heavy users who need stable internet on the go.

20 GB

Ultimate for longer stays

10 days+

Stay continuously connected; stream, work, and explore without interruptions. Perfect for long vacations or anyone who needs constant internet access.
