If you love Thai and Mexican cuisine, @zibuallende is the perfect restaurant to enjoy those flavors in a Mexican-Thai fusion.

The restaurant is located inside the @liveaquasanmiguel hotel, which ensures a spectacular design, a carefully curated atmosphere, and quality service where every detail is taken care of to make your experience the best.

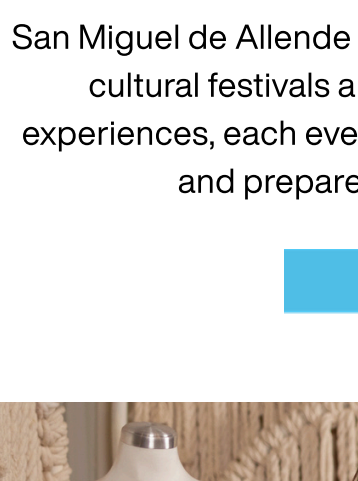

Our favorites were the bone marrow tacos with rib eye and the grilled octopus with crispy wontons. They were amazing!

Visit and mention The Pink Map to receive a complimentary cocktail. Enjoy!
