**DESCRIPTION** Long Bay Beach Club is located along the northwestern coast of Tortola, the largest of the British Virgin Islands, and is easily accessible by ferry from St. Thomas or via a direct flight from San Juan, Puerto Rico. The island's rich heritage is evident with historic sites that include Windmill National Park, Callwood Rum Distillery, and the Old Government House. In October 2013, the resort downsized to just the beachfront accommodations and related facilities. The enhancements created a more romantic and intimate beach club-style atmosphere, centered on the resort's unparalleled beachfront location and highly personalized service.

**ACCOMMODATIONS** Long Bay Beach Club exclusively offers three popular room categories: Beachfront Suites, Beachfront Deluxe Rooms and Beachfront Cabanas. All accommodations include air conditioning, cable TV, wet bars with refrigerators, ceiling fans, hair dryers, safes, irons and ironing boards, and complimentary WiFi.

**Beachfront Suites** are equipped with king-sized beds and queen pull-out sofa beds. They also offer large private terraces, a living room area, full kitchen, and a full bath and shower with separate dressing area. The maximum occupancy is 4 guests.

**Beachfront Deluxe Rooms** are located just a few yards from the sand and offer king-sized beds or two queen-sized beds, large walk-in closets, bathrooms with twin

vanities, showers and private terraces. The maximum occupancy is 4 guests.

Perched on stilts, the rustic **Beachfront Cabanas** offer king-sized beds, bathrooms with showers, hammocks and private decks. The maximum occupancy is 2 guests.

## DINING

**1748**, a casual beachfront restaurant and bar set on the ground floor of a renovated 18<sup>th</sup>-century sugar mill with beachfront decking, has been recently renovated to focus on providing a superior beach club dining experience. With a full a la carte breakfast as well as a full lunch and dinner menu, 1748 offers a variety of choices, ranging from grilled burgers to fresh seafood to outdoor barbeque, and hosts a Sunday brunch as well, popular among guests and locals alike.

The new **Verandah Restaurant** is now open on the upper terrace above 1748, where the former Pasta House was located. This fine dining option features panoramic views of the ocean and upscale meal choices such as steak, lobster and duck. It is included in the All-Inclusive meal plan option.

A variety of dining plans are available, ranging from European to All-Inclusive.

## ACTIVITIES

Long Bay's mile-long beach is powdery, warm, and perfect for watersports. In the summer, the beach provides excellent snorkeling; in the winter, bodysurfing is a popular activity. Snorkeling equipment, boogie boards and paddleboards are available for rent from the beachside watersports shack. For a more leisurely choice, kick back with a tropical cocktail next to our new **beachside swimming pool**. Long Bay also features two lighted artificial turf tennis courts for those who like to keep active. For an additional charge, island tours and excursions can be arranged, including day sails, power boat rentals, fishing charters, and swimming with dolphins.

## GIFT SHOP

The resort now features the **Elegant Pelican** gift shop, housed in the main 1748 building. Selling local artisanal crafts and goods, it is the perfect spot to pick up a memento of your trip.
