## EFISIA HAS A NEW LOOK

**A fresh way to experience the Mediterranean. Some spaces are more than places to dine; they are places to feel.**

**Efisia, our Mediterranean-inspired restaurant, has been completely redesigned to create an atmosphere that transports you to the Greek coast from the moment you arrive.**

**The new design blends crisp white and blue tones, Greek-inspired finishes, and warm lighting for a relaxed and welcoming ambiance. Boho-style pendant lamps add texture and character, bringing a distinctive touch to every corner.**

**Every detail was thoughtfully designed to complement a dining experience where the atmosphere and flavors come together.**

## THE PERFECT BEACHFRONT SPOT

**Fast, seamless, and without the wait.**

**Every detail is thoughtfully curated to offer you a superior, personalized experience.**

**We look forward to welcoming you back and continuing to make your stay exceptional.**
