

SAFETY PROCEDURES

(against COVID-19)

Viva Wyndham Resorts has designed a health protocol, following guidelines and recommendations of the World Health Organization, the local Ministry of Health and Cristal International Standards (CIS).

- ✓ Instill the concept of safe distancing of 1.5 meters.
- ✓ Mandatory use of a facemask.
- ✓ The frequency of cleaning surfaces and public areas with hospital-grade disinfectant is increased.
- ✓ High-frequency cleaning of food and beverage points in accordance with food safety recommendations.
- ✓ Support emergency cleaning practices that ensure that, in the event of an incident, these are efficient and safe.
- ✓ Creation of control teams that guarantee safety procedures.
- ✓ Promote respiratory health and handwashing to staff and guests.
