# SPECIALIZED VISITS

A photograph of a grand, ornate interior hall, likely a museum or a historical building. The hall features a high, vaulted ceiling with intricate geometric and floral patterns. The walls are lined with tall, dark columns. The floor is polished and reflects the light from the chandeliers. The perspective is from the entrance, looking down the length of the hall towards a distant doorway.

# *Architectural Heritage*

# THEMED TOURS

# - Colonial Walking Tour -

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

The tour takes the traveller to the main squares and their connecting streets both to discover the rebirth of the old city and to corroborate its marked residential character and the continuity of its traditions. The daily life of local inhabitants merges with the rich legacy of colonial times in this walk through the historic centre.

Accompanied by specialized guides, the traveller will get to know the facets of Havana with the expertise of illustrious and well-documented voices, as well as with the charisma and nicety of the city dwellers.

Duration: Up to 3 hours.

Days: From Monday to Sunday

Languages: Spanish and English. Other languages according to availability.

[viajessancristobal.com](http://viajessancristobal.com) / 17

# Heritage Rehabilitation and Social Work -

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

This offer emphasizes on the sociocultural importance – including the educational dimension – that the rehabilitation of heritage by the Office of the Historian has had in Old Havana.

Duration: Up to 3 hours.

Days: From Monday to Sunday.

Languages: Spanish and English. Other languages according to availability.

The visits to the former Convent of Our Lady of Bethlehem, the walking tour to pass by social institutions, the trade schools and the centre for the rehabilitation with motion disabilities are in the crucible of opportunities to get to know the social integration and development projects of the Office of the Historian.

# Religious Heritage and Popular Religiosity

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

An approach to several examples of religious heritage in the historic centre, as well as to the practices and other expressions of popular religiosity, both of Christian and Afro-Cuban origin.

Duration: Up to 3 hours.

Days: From Monday to Sunday

Languages: Spanish and English. Other languages according to availability.

It consists of a walking tour to see institutions and buildings such as the Cathedral of Havana, the Church of the Mercy and the Church of the Holy Angel, with locations, design and history that make them essential to interpret the development of the religious consciousness not only on local level but also in the whole country.

# • Art and Colours •

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

Art in Havana lives both in exhibition rooms and in the open air. The special interpretation of visual arts from yesterday and today concerning the heritage of the city is a glimpse of intimate and passionate looks.

The agency will take you along a time line to appreciate the main periods of the development of contemporary art in the context of the historic centre.

The visit to the Building of Cuban Art of the National Museum of Fine Arts will close this experience on a high note in our island, recognized by Trip Advisor as a top cultural destination in the world.

Duration: Up to 3 hours.

Days: From Tuesday to Sunday.

Languages: Spanish and English. Other languages according to availability.

# - Gateway and Key to the New World -

The colonial fortification system around the Bay of Havana, included along with the historic centre in the declaration of World Cultural Heritage by UNESCO in 1982, still shows the defensive needs of San Cristóbal de La Habana, which became the port of call of the Spanish merchant fleet and target for corsairs and pirates.

A walking tour in the historic centre to see the fragments of the former city walls and visit to fortresses, watchtowers and castles located in the territory.

Duration: Up to 4 hours.

Days: From Tuesday to Sunday.

Languages: Spanish and English. Other languages according to availability.

# • Habano Cigars and Rum, a tradition of excellence •

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

Cuban rum and cigars are born from two iconic Cuban crops. This experience going from the soil to the know-how of rum masters, cigar rollers, tasters and professional bartenders holds the key to a heritage of aromas and flavours deeply rooted in the Cuban identity.

Duration: Up to 3 hours.

Days: From Tuesday to Sunday.

A tour through the culture of Cuban cigars and rum with emphasis on their condition of immaterial heritage thanks to the mastery and trade of their producers. It includes visits to Habano House and the Rum Museum.

Languages: Spanish and English. Other languages according to availability.

# • The whole city •

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

A comprehensive specialized tour that will allow you to get into the singular urban layout formed by Havana's historic centre and make a contrast between the colonial atmosphere with its stone-paved streets and squares and the modern imprint of the main neighbourhoods shaping the so-called Modern Havana, where there is a unique architectural mixture.

It includes visits to the four main squares of the historic centre forming the well-known Golden Kilometre, as well as to emblematic places such as Revolution Square.

Duration: Up to 3 hours.

Days: From Tuesday to Sunday.

Languages: Spanish and English. Other languages according to availability.

# • Havana from above •

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

Included:

- Visits to tall buildings in and out of the historic centre.
- Visit to Revolution Square.
- Visit + cocktail at National Hotel.

Duration: Up to 3 hours.

Days: From Tuesday to Sunday.

Languages: Spanish and English. Other languages according to availability.

A novel and unique look at the city from lookouts having a privileged location and places with high historical and cultural values to have a more encompassing perception of the urban layout of the Cuban capital and to capture with the lens unrepeatable images of a city that seduces with the magic of eclecticism.

# · Havana is also green ·

## Included:

This tour will allow to appreciate the green areas as an element of the city landscape in the Cuban capital.

Duration: Up to 3 hours.

Days: From Monday to Sunday.

Languages: Spanish and English. Other languages according to availability.

·Visit to Quinta de los Molinos with an approach to the environmental projects developed there.

·Panoramic tour through areas of the Metropolitan Park or Botanical Gardens according to availability.

# • Architecture beyond the city walls and urban development •

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

## Included:

- Panoramic ride to recognize different architectural styles.

Duration: Up to 4 hours.

Days: From Tuesday to Sunday.

Languages: Spanish and English. Other languages according to availability.

An urban image was consolidated in the 20th century, which stands out for the diversity of styles and influences shaping it, broad streets, green zones, the hierarchy of buildings and the landscape values of its coastline.

# · Havana and its sculptures ·

The dialogue of public sculpture with the urban context from the birth of the city to its consolidation as metropolitan area has shown not only the consolidation of an art that not only remains vital but also elements of the Cuban history.

The tour will allow to appreciate icons of commemorative and environmental sculpture contributing to the monumentality of the city.

Sculptures and works such as La Giraldivilla, the monuments to Máximo Gómez and Antonio Maceo, the outdoor sculptures of the Capitol, the Fraternity Park, the University of Havana, Revolution Square, Columbus Cemetery and parks of the city will be visited.

Duration: Up to 3 hours.

Days: From Monday to Sunday.

Languages: Spanish and English. Other languages according to availability.

# • The Italian imprint on Havana's heritage •

 **SAN CRISTÓBAL**  
AGENCIA DE VIAJES

Born as a polycentric city with an urban layout defined by its condition of port of call, Old Havana preserves a valuable architecture stretching over almost five centuries and including examples representative of its different constructive periods. The Italian imprint is evident in the Havana context both in sculpture and architecture. A walking tour specialized in Italian architecture present in the heritage of the historic centre.

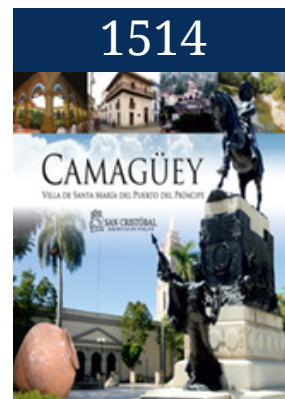

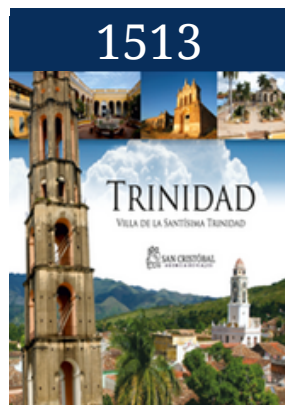

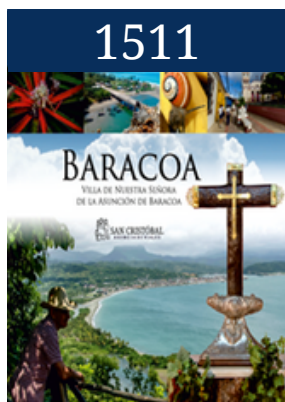

The tour begins at the Visitor Centre, located on Port Avenue, to comprise parts of the bay shore, the historic centre and Prado Promenade. A visit to the National Capitol is included.

Duration: Up to 3 hours.

Days: From Tuesday to Saturday.

Languages: Spanish and English. Other languages according to availability.
