TERRA NATURA: Terra Natura is a new-generation wildlife park where you can discover the “Zoo immersion” experience – a new concept in habitat design which will enable you to come into contact with the animals as if there were no barriers between you – at least, no visible ones! The 320,000 square metres of the Benidorm park are divided into four themed areas: Pangea, the entrance to the park, America, Europe and Asia. At Terra Natura Benidorm you can see more than 1,500 animals from 200 different species, 50 of which are in serious danger of extinction, and over 2,500 examples of more than 160 species of trees, shrubs and ground cover plants from these regions. As well as the hugely varied collection of wildlife, our educational information (through placards with biological details and information points), the architectural theming and the range of shows, entertainment and adventure activities make Terra Natura the venue of choice for families looking to spend an interesting and entertaining day in a natural setting.

AQUA NATURA (according to the opening Calendar): The promenade at Aqua Natura will guide you to the beach where you can stretch out in the sun and take a dip. Changing rooms, beach bars and more than 1.000 metres of thrilling water chutes and exclusive bathing areas for children will ensure you have a day full of fun and excitement! Our water park of 40,000 square metres has been designed for EVERYONE to have a good time, with an emphasis on providing an open visual field so that parents can relax in peace while their children have fun playing in the water. Aqua Natura has five large sections: the wave pool, the water chutes, the children's pool, the lighthouse breakwater and the SPA and sun deck.

MAGIC CIRCUS: a permanent circus in Benidorm, close to the Benidorm Palace. One day per week there is a special performance for Magic Costa Blanca. **PRINCESS AND KNIGHTS FESTIVAL:** The Medieval Castle is situated in Alfaz del Pi. Children come into the magic world of noble knights and precious princess. Your children will be able to disguise themselves as knight or princess or even make up their own costume during your stay in the hotel. Games and plenty of fun are waiting for you!

MAGIC SHOW: Great Gala in the Magic Arts School. The show takes place before the Medieval Dinner-Performance. The best magician who participates in the Magic Art School will be awarded a Certificate of Magician Apprentices. Magic Show is a Great Illusions Spectacle: levitations, apparitions, disappearances, transformations, and more surprises...

MEDIEVAL CHALLENGE: Dinner-performance in the Medieval Castle of the Count of Alfaz. An unforgettable night for the entire family! You will be able to live, learn, get involved in our story and even become the main characters... Like travelling through a magic time tunnel, you will get into the Levant lands where Moors and Christians struggled to conquer and defend their lands. Enjoy the tournament and the jousting between Christian and Moors Knights.
